

When I Feel Sad

Preschool

Updated November 2024

Sometimes, I feel sad.

It is okay to feel sad.
Everyone feels sad sometimes.

I might feel sad when...

Other children do not want to play with me.

My dad goes to work.

I lose my favourite toy.

I get hurt.

I might feel sadness in my body.

I might be tired.

My body might feel floppy.

I might want to be alone.

I might feel like crying.

My stomach may hurt.

When I feel sad, I can help myself feel better.

My educators and family can help me feel better.

When I am feeling sad, I can use my words
to tell people: "I feel sad."

I can do other things to help me
with my sadness.

I can go into a quiet
space.

I can listen to music.

I can ask for a hug.

I can take
deep breaths.

I can read a book. 8

When I feel better, I can go back and play!

I will not feel sad forever.
