

# Great Expectations

**We are Kind, Safe, and Responsible**

Updated November 2024

We have great expectations at our centre.  
Expectations help everyone know what to do!

# We are Kind!

## We help each other.

We clean up toys together.

We share with others. We are very kind!

# We are SAFE!

We stay with the group  
when we are on a walk.

I walk or move my body safely in the building;  
I save my running for the gym or  
playground.

I wash my hands and throw the towel in the  
garbage.

That helps me be safe and healthy!

# We are RESPONSIBLE!

I am responsible when I keep my  
body and voice quiet so others can  
sleep at rest time.

Being responsible means, I am gentle when I play with toys and other people.

I am responsible when I listen to other people's words and ideas.

I can be kind, safe, and responsible at my centre!
