

When I Feel Excited

Preschool

Updated November 2024

Sometimes, I feel excited.

Excited is when you are REALLY happy!

I might feel excited when...

I see someone I
haven't seen in a
long time!

I'm having lots of fun
with my friends!

It's my birthday!

I get to do
something I love!

When I feel excited, I might want to run and jump!

I might giggle and laugh.

How can I tell people that I'm feeling excited?

I can use words to say,
“I’m so excited!”

I can do other things when I am excited!

I can clap my hands.

I can sing and
dance
to music.

I can hug someone.

I can even:

Give a high 5.

Jump up and
down.

Play a drum.

If I see someone who is excited,
I can ask them about it!

It feels good to be excited sometimes.
